

Tony Syme.

B2B MARKETING MANAGER

Stirling / Glasgow, Scotland · 07886 759197 · tonysyme.ts2@gmail.com · UK Citizen

PROFESSIONAL PROFILE

Commercially minded, creative B2B Marketing Manager with over 5 years of experience leading multi-brand digital strategies, technical web deployments, and visual asset production. Proven track record of driving commercial growth in fast-paced distribution and live-events sectors, including co-founding ventures that scaled turnover from £76K to £265K through targeted cross-channel campaigns. Expert in aligning digital infrastructure with physical print, media, and trade-event operations. Adept at handling end-to-end campaign execution, website administration, and high-impact graphic design while maintaining complete brand consistency.

KEY SKILLS

B2B Campaign Strategy & Execution — trade acquisition, multi-channel campaigns, automated email, lead generation, performance tracking.

Website Administration & SEO — WordPress / WooCommerce & Shopify, API integration, technical SEO audits, landing-page optimisation.

Digital Design & Print Media — digital artwork, B2B brochures, catalogues, promotional literature, brand identity frameworks.

Stakeholder & Event Coordination — supplier liaison, showroom & trade-event logistics, team leadership, budget tracking.

PROFESSIONAL EXPERIENCE

Co-Founder & Marketing Lead, **AMAC Events**

NOV 2024 – MAR 2026

- Structured and spearheaded the marketing infrastructure for a fast-paced enterprise, securing £400,000 turnover in its first year of trading.
- Designed promotional materials, campaign visuals, and high-quality digital assets for print and online distribution.
- Built and optimised high-performance ticket landing pages and web conversion journeys, supporting consistent platform uptime.
- Coordinated directly with corporate venues, suppliers, and external partners to deliver successful promotional initiatives.

Co-Founder & Creative Lead, **The Attic Club**

2023 – 2026

- Handled full ownership of creative direction, promotional campaigns, and brand identity, scaling annual turnover from £76,000 to £265,000.
- Managed multi-channel B2B communication, supplier documentation, invoice processing, and professional partner workflows.
- Produced on-site visual content, graphics, and technical ticketing workflows to sustain long-term trade and customer engagement.
- Recruited, onboarded, and managed permanent and temporary staff teams across live sites.

Founder & B2B Digital Consultant, **That Digital Guy**

MAY 2023 – MAR 2026

- Built custom web solutions, e-commerce architectures, and digital marketing funnels for independent retailers and corporate clients, generating £80,000 in first-year revenue.
- Engineered SEO frameworks and ran dedicated social campaigns (Meta Ads Manager) to increase organic visibility and high-value trade inquiries.
- Maintained centralised CRM systems and organised high-volume communications to safeguard data accuracy and project deadlines.

Technical Trainer & Web Delivery Specialist, **Tablet Academy Scotland**

OCT 2021 – MAR 2024

- Coordinated and delivered 88+ technical workshops and digital deployment programmes across Scotland on behalf of enterprise leaders, including Google and Microsoft.
- Translated complex technical documentation into actionable toolkits and guided diverse user groups through onboarding workflows.
- Managed programme logistics, schedules, and cross-site communications under tight timelines.

Digital Marketer & Admin Assistant, **Stewart Accounting Services**

MAR 2020 – MAY 2022

- Owned and managed the digital footprint for a chartered accounting firm, enhancing online B2B presence via targeted marketing.
- Audited and updated digital content, optimised landing pages, and integrated internal administration systems to streamline onboarding.

Temporary Administrator – Project Support, **Blue Arrow**

2025

- Managed large-scale data migration and system synchronisation during a high-volume national transition, ensuring record consistency within Salesforce CRM.
